AS 11.41.436 (a) (1)

This complaint is based on the statements of K.S. to Sgt. Betzen. K.S. said she had been having sex with Dushkin for the last couple summers. Once during the summer of 2002, and four times during the summer of 2003. K.S. said that since she came back this summer (2004) she had met Dushkin twice and had sex with him at his apartment, #315 of the Carl's Bayview Lounge. The second time this summer was about two weeks prior on a Thursday (believed to be June 24th). At about 1930, she went over to his apartment. They were talking about his relationship with M. Dushkin mentioned he had gotten some condoms. She asked why and he smiled at her. The fire alarm for the building went off and he told her to wait there and he would be back. When he came back, he asked her why she was not naked yet. They took off their clothes and had sex in his bed. Dushkin used a condom. K.S. agreed that sex involved a man penetrating a woman's vagina with his penis.

This complaint is based on the statements of Terenty Dushkin to Sgt. Betzen. Dushkin initially denied having sex with K.S.. Dushkin then admitted he had vaginal intercourse with K.S. about two or three times a year for the last three summers. Dushkin said he believed he had intercourse with K.S. twice this summer (2004). The second time was in the later part of June. The event had happened at his apartment, #315 of the Carl's Bayview Inn. They had vaginal intercourse on his bed. He wore a condom. Dushkin said he was aware that K.S. was currently 14 or 15 years old.
